Florascent Organic Room Fragrances

Using pure essential oils, each fragrance comes in a pretty glass bottle. Five natural rattan sticks gently diffuse the perfume. There are 5 scents: *Antibes* - lavender and eucalyptus; *Jardin d'Anglais* - tea roses, rhododendron and fresh summer grass; *Marrakesh* - Moroccan rose; *Siena* - Tuscan citrus groves, mandarin and aromatic basil; *Ceylon* - cinnamon and vanilla, and *Vent de Ceylan* - bergamot. Containing only natural and organic ingredients which meet the highest ethical standards and are free from petrochemicals and synthetic ingredients. Details and for mail order, visit: www.florascentperfume.co.uk.
